IMPORTANT INFORMATION ABOUT OUR ADVICE:

What remuneration (including commission) or other benefits do we or our associates receive in connection with this advice that may influence us?

Worldwide Sports Insurance do have an association with insurer Sportscover Australia, however our dealings with underwriters are not influenced by this association.

The commission amount we will receive in relation to the policy is disclosed on the front of your Tax Invoice together with any fees that may be charged.

Please note that where commission is payable to us, the amount is paid by the insurer and is not an additional payment required by you over and above the quoted premium. These payments are inclusive of GST and are located on the front of your Tax Invoice.

As disclosed in our Financial Services Guide (FSG), any interest that may accrue on any premium paid by you to Worldwide Sports Insurance shall be solely for the Licensee's benefit.

From time to time our advisers may receive certain 'hospitality benefits' (such as tickets to sporting events, movies, meals, bottles of wine or hampers). The receipt of these benefits may be based upon the volume of business placed with the provider but may also be more of an ad hoc reward. The maximum value of these during the year is unable to be determined, however the details of such benefits so far received, are able to be viewed on a specially maintained Register. Please ask your adviser if you wish to view our Register.

Premium Funding

Where you choose to fund your premium, Worldwide Sports Insurance Pty Ltd will be entitled to receive commission payments of between 0 - 2% of your total premium. In addition to the commission payment, we may be entitled to receive an override payment of between 0 - 1% of the total premium funded by all of our clients. The payment of the override is dependant upon the total amount funded with the providers.
